第一種貨物利用運送業

First-class freight transportation industry

各地域の専門スタッフが全国の協力運送会社と連携して、トラックの運行状況を把握し、荷主様と運送会社のあらゆるニーズに応じたマッチングを行うことで、低コストかつ高品質な運送をご提供しております。

また、トラックの空車を活用することで、物流コストの削減と環境負荷の低減に取り組んでおり、未来につながる運送を目指しております。

We collaborate with specialized staff in various regions and partner with transportation companies nationwide to monitor the operation status of trucks. By doing so, we are able to provide cost-effective and high-quality transportation services that cater to the needs of both shippers and transportation companies.

Furthermore, we strive to reduce logistics costs and minimize environmental impact by utilizing empty truck capacity. Our goal is to achieve sustainable transportation that contributes to the future.
